

# Windows 11 installatie USB voor niet compatible PC. (30 EUR)

Locatie **Gelderland, Doetinchem**  
<https://www.advertentiax.nl/x-1563421-z>

Windows 11 Pro of Home upgrade of installatie inclusief drivers.

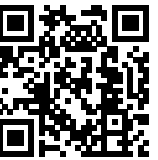

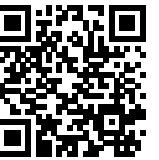

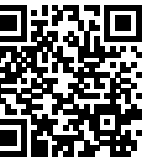

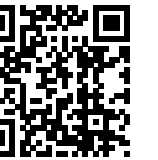

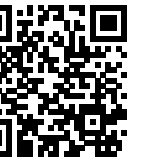

Geeft uw pc aan dat deze niet compatible is met Windows 11? Dan is deze USB stick wat voor u.

In het geval van een upgrade blijven al uw programma's en persoonlijke bestanden gewoon aanwezig.

Tegen een meerprijs is upgrade op afstand mogelijk. Mits de pc goed werkt en een internetverbinding heeft.

Eventuele gebreken kunnen overleg opgelost worden.

Mocht u vragen hebben of andere wensen dan hoor ik dit graag van.

|                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |
