

Cabrinha 2012 Switchblade 11 m met Bar, top conditie (325 EUR)

Locatie **Gelderland, Ermelo**
<https://www.advertentieX.nl/x-1568540-z>

Wil je je gear uitbreiden of beginnen met kiten? Deze 11 m 5 struts SLE kite is uitermate geschikt voor zowel gevorderden als beginners.

Zeer stabiele kite, oersterk, makkelijke herstart, hoogte lopen, springen etc. Allround freeride. Windbereik: van ca. 11 tot 20 kts (4 Bft), afhankelijk gewicht en omstandigheden. Waar anderen 12 m of meer nodig hebben, kun jij hiermee al varen.

Oppompen via One-Pump systeem.

Deze kite is in uitstekende conditie, geen reparaties, zeer sterke kwaliteit. Compleet met originele Cabrinha (Recoil-)bar maat L (59 cm) met 22 m lijnen. Deze set mag weg wegens overcompleet.

Let op: vaste prijs. Op te lage biedingen wordt niet gereageerd.

Zie vooral ook de reviews van dit bekende en populaire type kite.

The Cabrinha Switchblade is the go-to kite for most kitesurfers. Whether you have just started to kiteboard, enjoy cruising flat/ choppy water, want to jump big, get out in the waves, or begin to unhook: the Switchblade can do it all. This kite's versatility makes growing out of it impossible!

The Switchblade has a five strut design that holds the canopy true to its intended shape. This increases the kite's performance no matter the wind conditions. The wide range of attack angles give the

Switchblade the incredibly powerful, predictable pull that it's famous for while maintaining maximum control and responsiveness. The Switchblade remains true to its name of kite that cuts through the air with allround power.

One of the most versatile kites on the market (for the widest range of conditions and styles)Smooth power deliveryPredictable handlingGreat upwind performanceLarge wind rangeHigh and long hang timesDistinctly sharp and precise turnsEasy relaunchHighest resale value in its class5 years of refinements

Thin/lean entry profile for more low end power and top end de-power
Pure power profiles for smooth & fast flight and a broader range of performance
Modified bridle tuning that gives a lighter bar pressure
Wing tips size tuned for no back stalling and better light wind
