Are you a parent looking for a reliable and versatile electric cargo bike to make your daily life easier? Look no further! I have the ideal solution for you: the Carry 3 Elektrische Bakfiets 7 Speed, equipped with a range of amazing features. Read on to discover how this fantastic bike can enhance your daily routines and provide you with an incredible riding experience!

Impressive Technical Features: The 7-speed Shimano Nexus gears and closed chain guard ensure smooth gear shifting and low maintenance. The powerful 13Ah 36V-468Wh battery, combined with the Bafang Middle motor Max Drive (250 Watt), offers excellent support, allowing you to conquer even the most challenging terrains effortlessly. The LCD display with 5 support levels lets you easily control your riding experience, while the range of 50 to 80 km ensures you can go the distance.

Versatility and Convenience: The Carry 3 Elektrische Bakfiets 7 Speed is designed to cater to your diverse needs. Whether you're transporting your children, embarking on exciting adventures, or simply running errands, this bike has got you covered. The FREE rain cover ensures that your precious cargo stays dry during unexpected showers. Plus, with a carrying weight capacity of over 220kg, you can transport everything you need with ease.

Safety and Visibility: The integrated LED lighting, connected to the battery, ensures that you're visible to others on the road, promoting your safety during both day and night rides. Additionally, the reflectors provide an extra layer of visibility, enhancing your overall riding experience. But wait, there's more! The position of the motor in the middle means you'll experience immediate pedal assistance right from the

start. Thanks to the Bafang Max Drive 250 Watt mid-mounted motor, delivering maximum torque of 40 Nm, you'll always have the desired support during your ride. The fully loaded Carry 3 Elektrische Bakfiets 7 Speed can handle road handling, loading your cargo, and

providing excellent performance. The Carry 3 Elektrische Bakfiets 7 Speed is not just a bike; it's a game-changing technology, perfect for anyone seeking a convenient and eco-friendly transportation solution. Say goodbye to traffic jams, parking woes, and the hassle of everyday commutes. Make your life easier, more enjoyable, and greener with the Carry 3 Elektrische Bakfiets 7 Speed.

Don't miss out on this fantastic opportunity! Grab your Carry 3 Elektrische Bakfiets 7 Speed today and revolutionize your daily routines. This incredible Carry 3 Elektrische Bakfiets 7 Speed was purchased for 2999 euros. It's important to mention that this bike has been gently used and has only covered a minimal distance of 80 km on the battery. So, you can rest assured that you're getting top-quality, almost brand-
