

## Daihatsu Cuore 1.0 Comfort Airco NAP 5D 2009 Grijs (2.000, EUR)

Locatie Zuid-Holland, Capelle aan den IJssel  
<https://www.advertentieX.nl/x-1573007-z>

Hele leuke Daihatsu Cuore

Met zo goed als nieuwe APK en

Pas nieuwe koppelingset nog geen 200 km mee gereden

Is een super zuinige auto gemiddeld gebruik 1 op 23

Motorrijtuig belasting is rond 15 per maand

Deze motorblok is uitgerust met een distributieketting in plaats van een riem  
 Dus onderhoudsvrij.

Oties & Accessoire

-Airco (goed werkend)

|                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                       |
