Gloednieuwe Naish kite van de beroemde Pivot serie, in prachtige blauwe kleur. Modeljaar 2022 dus type S26. Slechts 1x gebruikt maar voor mij is deze maat net iets te groot als stap naar mijn andere kites en daarom te koop!

De kite is dus als nieuw en heeft nog geen drupje water gezien. Inclusief de bijpassende tas, gebruiksaanwijzing, reserve piepjes en pomp-ventiel adapter.

Een lekkere veelzijdige kite met goed 'gevoel' die al jaren hoog scoort in de vergelijkingstests.

Hieronder wat Naish er zelf over zegt:

The Pivot is an incredible all-around kite with great performance no matter the conditions. If you want a kite that does everything anywhere or anytime, the Pivot is the kite for you. This kite is famous for its incredible jumping ability, wave riding performance, responsiveness, and tight, pivoting turns. The Pivot has a wide wind range and predictable power generation for easy riding and consistent boosts. The 12 m and 14 m have been redesigned for dramatically improved overall performance. Without sacrificing durability or flying characteristics, the construction, trailing edge, overall reinforcements, and canopy of all sizes have been redesigned for an even lighter and more responsive kite. If you're not sure whether you want to ride a twin tip, surfboard, or take out your foilboard, the Pivot is one kite that does it all and excels in everything. Two-time King of the Air Champion and 2021 Big Air Kite League winner, the Pivot continues to lead the charge.
