

New Pioneer DDJ- 200 controller (120 EUR)

Locatie

Utrecht, Utrecht

<https://www.advertentieX.nl/x-1575225-z>

Pioneer DDJ dj controller for people who want to get their dging basics right . I bought it 5 months ago but I rarely used it. Bluetooth connection is possible to connect with laptop or computer so you don't even need cables . This is the unique feature. Considering there is a shortage of chips in the market this is a reasonable.
