Selling my 16' Macbook Pro because I need a stronger computer for rendering. I've taken excellent care of this and it's served me super well for professional work. Specs are as follows;

Apple Macbook Pro 15' Retina Display with Touchbar

3.1 GHz Quad-Core Intel Core i7 (Highest cpu upgrade at the time)

Intel HD Graphics 630 1536 MB

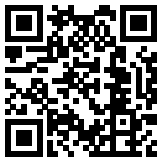

16 GB 2133 MHz LPDDR3 (Extra ram upgrade)

250gb SSD (Extra)
