

## Ariel 1940 project (4.500 EUR)

Locatie **Drenthe, Hoogeveen**  
<https://www.advertentiax.nl/x-1582864-z>

Helaas geen tijd meer voor.  
 Te koop, restauratie project oldtimer.  
 Ariel 350cc bj 1940.  
 Gedeeltelijk gereed. Machanische gedeelte is reeds 100% gereviseerd zoals, motorblok, versnellingsbak, magdyno. Aan de motor zelf is begonnen en gedeeltelijk gestraald en gespoten. (zie foto's). reageren via mail voor meer info. foto's van revisie e.d zijn aanwezig.

Aiel, Oldtimer,.

|                                                                                                                                                                                                                          |                                                                                                                                                                                                                           |                                                                                                                                                                                                                           |                                                                                                                                                                                                                           |                                                                                                                                                                                                                            |                                                                                                                                                                                                                             |                                                                                                                                                                                                                             |                                                                                                                                                                                                                             |                                                                                                                                                                                                                             |                                                                                                                                                                                                                             |
