? MacBook Pro 13 inch Retina M1 TouchBar 8GB Ram 512GB SSD Met Veel Extra's Z.G.A.N.

Bij deze bied ik mijn als nieuwe Macbook Pro M1 Retina TouchBar te koop aan. De reden van verkoop is dat hij niet word gebruikt. Wij hadden 2 van deze Macbooks gekocht maar hebben er aan 1 voldoende. Dat hij vrijwel niet gebruikt is is te zien aan de accu die heeft maar 13 laadcycli gehad. Ik heb mijn best gedaan de Macbook zo duidelijk mogelijk in beeld te brengen zodat u kunt zien dat hij vrij is van krasjes en beschadigingen echt in nieuwstaat.

Deze Macbook Pro is dankzij de M1 processor razendsnel en gemaakt voor zware taken zoals 4k of 8k beeldbewerking, fotobewerking of andere zware werkzaamheden.

Het is geen standaard instap model maar deze Macbook heeft een grotere SSD opslag van 512GB i.p.v de standaard 256GB ideaal dus voor grote bestanden.

De MacBook Pro komt netjes in doos met alles wat daarbij hoort.
