

# BMW R850R 49000km (1.650 EUR)

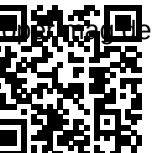

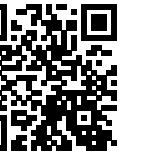

Locatie **Limburg, Heerlen**  
<https://www.advertentiex.nl/x-1585498-z>

Van 2de eigenaar overgenomen en weer lopend gemaakt.  
 Heeft lange tijd buiten gestaan zonder gebruik ervan.

Motor is lelijk maar motor loopt boterzacht.  
 Banden,remmen,versnellingen,accu en koppeling in goede staat.  
 Geen schuif of valschade.  
 Wat gedaan is :

Voorvork seals vervangen.  
 Motorolie, versnellingsolie en cordanolie vervangen.  
 Rem en abs unit geflushd  
 Kleppen gesteld.  
 Kleppen van klephuis synchroon, stationair en bij 3000 t/m synchroon afgesteld.  
 TPS schoongemaakt en op 390mv afgesteld voor beter gasrespons. Reset.  
 Motor geeft een solide en betrouwbaar gevoel en is stukken zuiniger dan zijn grotere broers.  
 Gewicht is lager en lagere opstap.  
 De motor is vakantieklaar of ideaal voor woonwerverkeer zomer en winter.  
 Ook is de motor minder diefstalgevoelig, dit bevordert dus uw nachtrust.  
 Incl koffers..  
 Neutraalstandlampje brandt soms wel en soms niet.

|                                                                                                                                                                                                                         |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |                                                                                                                                                                                                                          |                                                                                                                                                                                                                           |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |
