

## Nightblade MI3 GTX1060 3GB 32 GB RAM I5 7400 (400 EUR)

Locatie **Noord-Brabant, Kaatsheuvel**  
<https://www.advertentiax.nl/x-1587315-z>

Ik verkoop mijn Nightblade MI3 omdat ik een andere PC heb gekocht die meer geschikt is voor muziekproductie.

De nightblade MI3 is compact gaming wonder. Het is verbazingwekkend hoe veel gaming power uit deze relatief kleine machine komt. Daarnaast is deze versie uitgerust met de graphische kaart GTX 1060. De meeste MI3 modellen zijn met de 1050 uitgerust, dat lijkt geen groot verschil maar dat is het wel degelijk!

### Specificaties:

- Intel core I5 7400 processor
- Nvidia GTX 1060 3gb vram
- 32 GB ram Corsair Vengeance (uitbreiding)
- 128 GB SSD met windows 10
- 1TB Hard disk

### Extra's:

- Ram is geupgrade van 8GB naar 32GB DDR 4
- Originele boekjes zijn aanwezig
- Verse installatie windows 10 waardoor je de PC direct kan gebruiken (plug and play).

Games die deze PC o.a. aankan:

|                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                 |
