

# Citroen C1 1.0 5-DRS Sensodrive 2007 Grijs AUTOMAAT (2.500, EUR)

Locatie **Groningen, Noordbroek**  
<https://www.advertentiax.nl/x-1587519-z>

Een leuke originele C1 van 2007. Voorzien van automaat, toerenteller, 5 deurs uitvoering, steenkoude airconditioning, elektrische ramen voor, centrale vergrendeling, metallic lak, APK tot augustus 2024, radio cd speler met AUX functie, stuurbechrachting.  
 Zuinig, betrouwbaar, goedkoop in de motorrijtuigenbelasting, goedkoop te verzekeren

Goed uitziende auto die heel goed rijdt, schakelt, remt.

Alle inruil mogelijk tegen

|                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                               |
