Great motorcycle in amazing condition, super comfortable, super reliable and lots of power for trips. I've crossed all of Europe with it, from Rome to the most Southern point of Europe and back to the NL.

Maintained at one of the best mechanics in the Randstad (DJR Performance, works on all kinds of Ducatis, Aprilias, BMWs, MV Agustas...), And all maintenance is in order.

Front tire Michelin at 90+%

Rear tire Mitas E07+ at 70% (only did gravel roads in Spain and Italy and tarmac)
