

## MOOIE TUINHUIS (50 EUR)

Locatie **Groningen, Blijham**  
<https://www.advertentiax.nl/x-1591635-z>

Nette tuinhuisje in goede staat  
 Lengte 4.20  
 breedte 2.44  
 Oversteek 50 cm  
 Platen zijn al van dak (niet allemaal meer goed) ook de dakgoten zijn er af.  
 Huisje bestaat uit 4 delen dus niet al te moeilijk.  
 Vloer moet ook

|                                                                                                                                                                                                                      |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                       |                                                                                                                                                                                                                        |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |
