IT System Administrator (m/f/d) Full-time / Part-time With more than 550 full-time employees and around 130 facilities, we are one of the largest independent youth welfare organizations in Bavaria. Together with 33 member associations and youth organizations, we speak with a strong voice for the children and young people in the district of Munich. We are looking for the next possible date for the office of the Kreisjugendring München-Land in Pullach an IT System Administratorin (m/f/d) 50% part-time or full-time, temporary until 12/31/2013 with an option for de-termination. YOUR TASKS. Configuration, operation, monitoring and maintenance of the complex IT systems in KJR München-Land. Receiving written and telephone inquiries from internal colleagues. Creating tickets and processing IT concerns of employees of the KJR. Ensuring the classification of the level of difficulty. Ensuring solutions to problems. Take over referral to higher levels of support. YOUR BENEFITS. Remuneration according to the TVöD VKA / EG 10 and the social benefits of the public service. Interesting, varied and meaningful work. Attractive training and development measures. Flexible working hours and the possibility of home office. A discounted ticket for local public transport. Company pension plan and health promotion. Good induction, collegial advice and a lively working environment. Contribution of innovative ideas for the further development of the carrier. A modern, safe and attractive workplace in the countryside at the gates of Munich. YOUR PROFILE Completed university studies, preferably in computer science, network administration and IT security/administrative information manager or successfully completed training related to the described area of responsibility or comparable qualification. Excellent understanding of new technologies and systems. Analytical thinking, problem solving skills, and the ability to work in interdisciplinary teams. Customer focus, communication skills and the ability to implement innovative information technology in a youth organization. Interested? Then we look forward to receiving your application documents by July 23, 2013 at Kreisjugendring München-Land, Postfach 82049, 82049 Pullach, Bavaria, Germany by e-mail to: karsten.schulz@kjm-l.de or by fax to: 089 302 00 100. Phone: 089 302 00 101. Fax: 089 302 00 102. Handwritten applications are not accepted. We are an equal opportunity employer. Therefore, we do not discriminate on the basis of gender, age, marital status, sexual orientation, race, ethnicity, religion, disability, or any other characteristics. People with disabilities can contact the Disability Representation (sovkjr-mi.de) if they have any questions. Employment is possible on a part-time and full-time basis. We take into account the data protection requirements of the European Data Protection Regulation (DSGVO) in the application process. Website: www.kjm-l.de
