

# Samsung Galaxy Tab A7 32GB SM-500 (75 EUR)

Locatie **Zeeland, Middelburg**  
<https://www.advertentiax.nl/x-1592421-z>

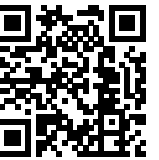

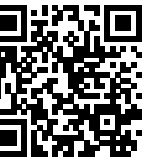

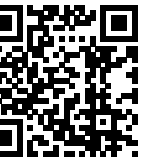

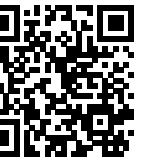

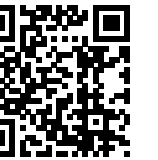

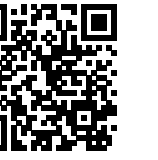

Nauwelijks gebruikte tablet in hoogwaardige beschermende hoes. Met originele verpakking en toebehoren.

Geen krassen, geen beschadigingen. Netjes vers geïnstalleerd, zo gebruiken.

Ik dacht deze meer te gaan gebruiken, maar hij ligt al een jaar in de kast stof te happen. Tijd voor een nieuwe eigenaar/eigenaresse.

Wie doe ik er een plezier?

|                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                      |
