

## Monitor LG 4K 28 Inches - 27UL650-W (150 EUR)

Locatie **Zuid-Holland, Rotterdam**  
<https://www.advertentiax.nl/x-1596074-z>

Hello all,

Selling this monitor to buy a larger screen and with a higher resolution rate (I'm a PC player).

I have two units - one bought here in Netherlads and one I came from Brazil Both are in perfect state with no dead pixels or usage details.

I used to use them with a special support which looks like a hand and helps me to rotate them, bu they come with original legs.

Let me know if you have any.
