Beschrijving:
 700472343 – Avaya G650 Media Gateway Cabinet including PSU

The Avaya G650 Media Gateway Cabinet including PSU is ideal for large office environments due to its high level of features. It is part of the Enterprise Gateways Server product range and known by product codes 700472343 and 700394950.

The G650 seamlessly integrates traditional circuit-switched and IP-based telephony networks, providing core telephony gateway services to all endpoints in a mixed TDM/IP environment.

The Avaya G650 Media Gateway is a 14-slot rack mounted carrier configured for TN form factor circuit packs. The G650 can accommodate a range of analog, digital, ISDN and IP (over the LAN) phone station configurations, with voice transport options over IP, analog, TDM, or ATM. Available dual redundant, load-sharing power supplies with AC/DC inputs provide enhanced system reliability.
