

# Microsoft Surface 3 128GB SSD 4G Aluminium (225 EUR)

Locatie **Gelderland, Elburg**  
<https://www.advertentiax.nl/x-1602555-z>

Ga vlot en soepel aan de slag met de nieuwe Microsoft Surface 3. Het kleine broertje van de Surface Pro 3 is dankzij zijn kleine en lichte formaat goed te gebruiken in de trein of al wachtende op het station. Laat jouw productiviteit overal ten goede komen of geniet van jouw favoriete film in Full HD-resolutie. Wij adviseren deze 2-in-1:

|                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                  |
