

# 1600W EDGE EDS8D2-E9 Street Series 8x27x27 Subwoofer (800Wrms) (149 EUR)

Locatie **Drenthe, Hoogeveen**  
<https://www.advertentieX.nl/x-1605798-z>

Handelsonderneming Haxha Trading biedt aan:

EDGE EDS8D2-E9  
 MAX Vermogen: 1600W  
 RMS Vermogen: 800W  
 Impedantie: 2x 2Ohm  
 Gevoeligheid: 81DB  
 Formaat: 8 Inch

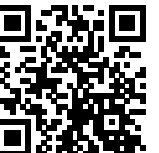

Inbouwdiepte:  
 142mm

DVC 2-Ohm Aansluitmogelijkheden:  
 1-Ohm parallel  
 4-Ohm in serie

Features:  
 Gasket: Rubber  
 Dustcap: Black PP  
 ?T-Yoke: 15mm flat

Spider: 2pcs Black PC  
 Paper cone  
 16mm surround  
 8mm cotton spider  
 16mm wire mesh  
 4 layer Black Aluminium voice coil  
 Surround: Big roll 80mm - stitched  
 Voice coil: 15mm Copper winding  
 Top Plate: 10mm Black anodized

Parameters:  
 Power: 1600W  
 RMS: 800W  
 Impedance: 2x 2 Ohm  
 Sensitivity: 81dB  
 Size: 8 inch

|                                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                                          |
