

## Audi A4 2017, 1.4L TSFI sport edition, automat, zwart (19.900, EUR)

Locatie **Noord-Holland, Amstelveen**  
<https://www.advertentiax.nl/x-1611495-z>

I'm selling this because I bought new car and no longer need this one, and need the money for house renovation.  
 I had this car for more than two years (I bought it from bynco); it never had any technical issues and it had all the regular checks and maintenances at the time (check the last photo). In the last APK inspection (about 3 month ago) it didn't require any fixes and passed all the tests.  
 Body looks clean and only has few scratches that is not noticable unless you look very closely.

It has new Hankook VENTUS PRIME4 summer tires I installed 6 month ago, and also 4 old winter tires.

I'm getting a full technical inspection from "Occasionkeuring Nederland" in few days and will append the results.

Fuel Economy: 4,9 L/100KM highway, 6.5 to 7 K/100KM city  
 Power: 110 KW / 150 HP

Are you interested and would you like to have a test drive? I am available in Utrecht during working hours and I live in Amstelveen. I can allocate some time in either location if you set the time at least a day in advance. Please complete "Marktplaats proefritverklaring" prior to the test.
