

## Ariel NH350 1954 (3.950 EUR)

Locatie **Drenthe, Hoogeveen**  
<https://www.advertentiax.nl/x-1613220-z>

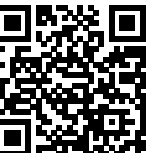

Ariel NH 350 van het jaar 1954

Nette motorfiets met veel nieuwe delen.  
 Blok, versnabak en teller zijn gereviseerd.  
 Magneet opnieuw gewikkeld.  
 Nieuwe banden, uitlaat demper en zadel.  
 spuitwerk had iets mooier gekund

Geen kenteken wel duidelijke nummers en een koopcontract voor evt rdw keuren.

Bsa Triumph Norton

|                                                                                                                                                                                                                        |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                          |                                                                                                                                                                                                                           |                                                                                                                                                                                                                           |                                                                                                                                                                                                                           |                                                                                                                                                                                                                           |                                                                                                                                                                                                                           |
