

## Manutti Kobo grote exclusieve loungeset tuinset tuinmeubelen (29.995 EUR)

Locatie **Noord-Brabant, Eindhoven**  
<https://www.advertentiax.nl/x-1616774-z>

Manutti Kobo meubelen

De tijdloze sofa's en fauteuils uit de Kobo-collectie zijn een technisch huzarenstukje. Het geheim van dit design? De volledig handgeweven touwstructuur op een gelast aluminium frame. De gebogen lijnen van de armstoel en de sofa's op volledige lengte worden aangevuld met diepe, weelderige kussens voor het summum van comfort.

4x Kobo 1-zits

2x Kobo 3 zits

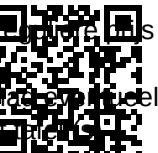

1x Torsa salontafel Ø148

1x Torsa salontafel Ø125

1x Manutti Touch poef 112 x 65 cm

Inclusief Manutti beschermhoezen / MANUTTI DECORATIEVE KUSSENS voor alle meubelen

NIEUWSTAAT, 1 seizoen tentoongesteld

|                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                |
