I have all the original retail packaging for all the components, which you are welcome to take - useful if you plan to sell some components.

Please note, this PC does not have WiFi. You will need either a PCIe or USB WiFi card for that. I will include an ASUS USB-BT500 Bluetooth 5.0 USB dongle for Bluetooth.

As a bonus I will include a basic monitor, keyboard, and mouse for free. These are older than the PC, but still in good condition:

Monitor: Dell S2409W 24" 1920x1080 16:9

Keyboard: HP KU-1156 (riser feet are missing)

Mouse: Dell MS111
