I highly recommend a well-maintained Honda car with 129,048 kilometers on the odometer. It comes with almost new Michelin tires (size 16) suitable for all seasons, used only a year ago. The battery is also recently replaced by ANWB, and the oil along with the oil filter are both brand new. The front shock absorber was also replaced just a year ago. The APK inspection confirms that there are no malfunctions. ABk is valid until 06/27/2024. I'm selling this car because I will be receiving a company car from my employer. Additionally, feel free to have the car checked anywhere you want before making a
