

# Chevrolet Trans-Sport 3.4 AUT 2003 Grijs (2.000, EUR)

Locatie **Noord-Brabant, Soerendonk**  
<https://www.advertentiax.nl/x-1621088-z>

Chevrolet Trans-Sport, bouwjaar 2004 met APK tot Mei 2024. Wagen op leeftijd met hoge km-stand, maar rijdt nog steeds (dagelijks) zeer verdienstelijk, van eerste eigenaar

- Postieve punten:
- Benzine versie, dus milieuzones OK
  - Automaat
  - Schakelt perfect
  - Luxe, snel uitneembaar interieur
  - 7 zitplaatsen met grote bagageruimte
  - Perfekte slaapauto voor 2
  - 2 automatische schuifdeuren
  - Nieuwe radiator
  - Nieuwe accu
  - Recent vervangen remschijven/blokken
  - Goede banden, voldoende profiel
  - Betrouwbare "starter"
  - Cruise control
  - Donkere ramen achter
  - Mistlampen/stralers voor
  - Volkomen trillingsvrij in stuur bij elke snelheid

|                                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                                 |
