Cabrinha Moto kite 9 m2 from 2020, in good condition and only used for 1 season. As good as new. 3 Strut lightweight kite.

The Moto allows you to pull every trick out of your bag, regardless of discipline. A nine metre is a really interesting size because you could use it wave riding in 18 knots, or hang on to it on your twin-tip in 35.

For every type of kiter (including freeride, freesurf and foilboarding).

Selling because I bought a new big air.
