### --Product Description--

If you are looking for a monitor to game or watch a movie, this product with a 2K screen resolution and a 100hz refresh rate is for you.

### --Product Background--

My friend, Glenn Reiders, bought this monitor for 600 Euro. Unfortunately, he had to leave the Netherlands a year ago and sold the monitor to me for 450 Euro. Now that I am leaving the Netherlands, too, I would like to find the next owner.

### --Product Condition--

The monitor is in a like-new condition because both Glenn and I rarely use it and prefer gaming on laptops and consoles. I ALSO HAVE INVOICE FOR THIS MONITOR UNDER GLENN'S NAME.

### --Product Price--

I set the price at 300 Euro. However, I am open to discussing the price with all of you.\*

### --Product Accessories--
