Selling this beautiful dealer maintained, original NL, in top condition motorcycle with a lot of extra parts installed.

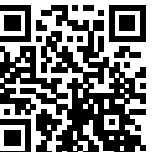

The motorcycle was always kept inside, never ridden in the winter or on salty roads, always cared for and serviced regularly at the dealership.

It was bought from Mofra BMW, with two years of warranty, I am the second owner. Manufacturing date is 10.2017, it is the facelift full option version.

The motorcycle is impossible.

Factory options:

- DDC suspension
- Cornering ABS
- Heated grips
- Traction control with various modes
- Unlocking plug installed for Dynamic Pro riding mode
- Quick shifter for upshift and downshift, clutchless shifting through gears
- Cruise control
