Old BEAST PC gaming looking for new owner!

Pick up in Breda city center.

Handles competitive game like Fortnite, CSGO 2, Valorant, Apex, LoL, Dota..... like a breeze (100+ FPS)High-Ultra on older games like GTA5, Witcher 3,...1080p medium settings on current Triple A games like MW2, Warzone 2, Spider-man, Forza Horizon 5,....
 The PC's still pretty decent in 2023. Best for competitive online games and some light video editing, especially for students!

This PC is what got me through COVID. I had a great great time. Played a lot of games, edited a lot of videos with it. It served me well, but I don't use it anymore. It's been sitting around collecting dust, so it's time I find a new owner for it!
