

## Plumber

Locatie **Utrecht, Utrecht**  
<https://www.advertentiax.nl/x-1627579-z>

Are you an experienced plumber and are you looking for a new project? The company you will be working for is a multidisciplinary total installer since 1923 who offers tailor-made solutions. Technical installations are often invisible in buildings, but at the same time indispensable. A building functions by implementing the right applications. Only then does a building come to life. To create a perfectly sustainable (indoor) climate for every end user is the end goal.

### Bedrijfsomschrijving

We have a different range of clients: from small to large, informal to formal. Together we determine what your needs are and ensure the right customer and go for the "perfect match". Are you the plumber we are looking for at Maintec? Don't wait any longer and apply!

### Functieomschrijving

The plumber/pipefitter will carry out all activities from work orders and/or technical drawings. Such activities are installing copper, plastic or steel piping for gas- water and drainage supplies. The plumber/pipefitter will perform tasks such as drilling, bending, sawing etc. and will construct complete and sometimes complex piping systems for gas supplies, water supplies and drainage supplies. Experience with Mapress system (copper pipes) and HPE Geberit plastic pipes is required.

### Functie-eisen

Experience and expertise in the field of plumbing  
 B category driving license  
 You have a strong level of English  
 You are a teamplayer  
 You have VCA ( you can also obtain it via Maintec)
