

Production workers

Locatie **Noord-Brabant, Best**
<https://www.advertentieex.nl/x-1627591-z>

You have a great sense of responsibility and therefore feel that you should carefully work on the high-quality products that you sell to our customers. Therefore, you are the production worker we are looking for! Do you want to work in a company that has sun protection solutions for every home? As the company is growing very fast, we are constantly looking for new talents and experienced hands.

Bedrijfsomschrijving

In 2002 our client was one of the first Dutch producers to launch their own brand on the market and has since become a well-known brand in the sun protection industry. He is devoted to his employees and clients. Working together, keeping promises, mutual trust and respect are critical to their and our meaningless culture. Are you the production worker we are looking for at Maintec? Don't wait any longer and apply!

Functieomschrijving

The production employee carries out various production activities under the supervision of the (assistant) team leaders.

When carrying out the work, the product quality and the standard and delivery time are taken into account.

assemble products manually, stacking and putting away products, packaging of products, checking the quality or sorting products, cleaning

Functie-eisen

Preferably you have experience in a similar position. You can read simple and more complex technical drawings. English language skills at a communicative level. Driving license is a must. You have flexible working hours. You can work with the team and independently. You work very accurately. You have "safe working" high priority. You have experience with product families.
