+ case for laptop

I bought laptop in December and use it like for 5-6 month, rest of time laptop was just lying on desk. I sell laptop because i dont use it any more.
It used laptop, but it still works good like in first day when i got it.
Videocard is very powerfull in game you can get even 196TGP(you can see it on photo), but in most of times it around 165
