

## Citroen C3 1.2 VTI 60KW82PK 2014 Grijs (9.950, EUR)

Locatie **Flevoland, Almere**  
<https://www.advertentieX.nl/x-1628459-z>

Deze nette en zuinige Citroen C3 wordt verkocht vanwege mijn pensioen. Ik ben de 2e eigenaar en heb met veel plezier gereden met de auto. De auto is geheel schadevrij en heeft geen schadeverleden.

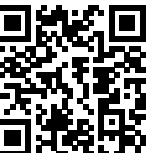

Verbruik gemiddeld 1 op 20.

Opties:

- Automaat
- Elektrische ramen voor
- Parkeersensoren achter
- Parrot carkit
- Centrale deurvergrendeling
- Cruise Control
- Elektrische en verwarmde buitenspiegels
- LM velgen
- 4 nieuwe banden (4 seizoenen)

NAP km stand van 51760, maar er wordt nog mee gereden.

Prijs staat vast, biedingen worden.

|                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                              |
