Obviously only for hobby purposes. All and only what you see in the pictures are offered. Kept as a nostalgic collections but I dont know what to do with them except looking at the nice designs. Tried to use the physical buttons as little as possible, so physical buttons are in rather good condition. Also 2 cables have no functional damages (exposed inner cables etc)

- Both factory-reset.
- Sold "as is", no return, no refund, on your own-risk items.
- No technical support offered.
- Not.
