

## GO 5000 Europe met LifeTime Map Update en Traffic services (65 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-1630169-z>

Tomtom GO 5000 Europe met free lifetime kaart update services, compleet met raamhouder, auto usb oplader, usb kabel en 32 GB micro sd kaart. Ik heb alvast alle nieuwste Augustus 2023 hele Europe incl. Turkije kaarten geupdaten.

De TomTom GO 5000 maakt het gebruik van autonavigatie makkelijker en sneller dan ooit. Dankzij de interactieve kaart kun je gemakkelijk met je vingers in- en uitzoomen en de kaart verschuiven. Wil je naar huis, naar een bepaald restaurant of een andere favoriete locatie? Tik op het scherm op het bijbehorende icoontje en de TomTom GO 5000 berekent de beste route, rekening houdend met het verkeer. Je ontvangt namelijk altijd gratis realtime verkeersinformatie, waar je ook bent. Dus ook in het buitenland. Op de kaart wordt vervolgens precies aangegeven waar vertragingen beginnen én eindigen. De kaarten zijn voorzien van gebouwen en oriëntatiepunten in 3D zodat je altijd precies weet waar je bent. Gedurende de levensduur van de TomTom GO 5000 ontvang je gratis 4 of meer kaartupdates per.

|                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |
