I'm selling my Laptop (bought on 31/03/2021 with extra Warranty directly with Asus Until 01/04/2024 )

I'm only selling it because my company gave me another laptop to use, so I don't have much use for this one. (I was not using on the past year to be honest, so the computer has very little use at all) Still looks like it's out of the box. No damages, no drops, no scratches. It comes with one HARD case, other soft case, and one STAND , besides the original 200W charger. (NO BOX)
