Rebuild of a 1991 R80 RT (original picture included) Work done:

- Complete Engine rebuild with new gaskets, new clutch etc.
- Siebenrock Zylinder Kit for 1000cc installed
- New Frame for Cafe Racer custom brown leather seat
- New Exhaust System
- New Lithium Battery
- New Air Intake and replacement of old air intake cover
- Ignition installed in the new air intake cover
- New Triple clamp for front fork
- New Clamp on handle bars
- New LED Blinkers front and back
- New LED Headlight
- Installed Heat wrap
- Leather pouch
- New fuel hose with fuel filter
- I still have all original pieces so you can fully build it back if you like.

This has been a passion project of mine and I absolutely love the way the bike turned out. Many many hours in the garage tinkering and planning how to build this bike and then putting it into reality. Most
