

Babboe City E - electrics not working (1.000 EUR)

Locatie **Noord-Holland, Haarlem**
<https://www.advertentieX.nl/x-1635704-z>

We are selling our Babboe City E bakfiets.

Electrics are not currently working properly (loud noise coming from engine), however battery is good and holds charge. The rest of the bike is in good working order and is still nice to drive without the electrics.

We also have a near new Babboe seat cushion and rain cover that we will include with the bike.

Selling as is. Let me know if any questions and will be happy to discuss!

Pick-up from Haarlem.
