A MacBook Pro 13-inch 2016 2.0-GHz dual-core i5, 512GB RAM 8GB, in the colour Space Grey. The keyboard is QWERTY. The battery cycle is 305. The top looks like new. On the frame at the back there is a single short deep scratch. On the bottom there are some very light signs of use that are almost unnoticeable. This also applies to the screen, keyboard and mousepad. There are two light dents on the keyboard top right. This may have been opened at some point, so it is a little loose. A used charger is present.
