

# Grom-BT3 Volvo V70S80S60 (85 EUR)

Locatie **Noord-Brabant, Zevenbergen**  
<https://www.advertentiax.nl/x-1638722-z>

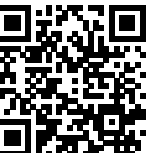

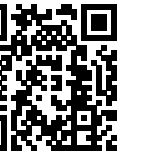

Te koop

Grom BT3  
 Met Volvo kabels om aan te sluiten op een standaard HU radio.

Ik had hem in mijn S80 maar heb inmiddels android auto met een aftermarket radio geïnstalleerd.

Komt met microfoon zodat je hem ook als bluetooth carkit kan gebruiken.

Bieden mag, wel graag via marktplaats in plaats van via een.

|                                                                                                                                                                                                                                |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |
