

Saab 9-5 2.3 T Estate 2004 Vector handbak LPG trekhaak (2.650, EUR)

Locatie **Utrecht, Soest**  
<https://www.advertentiax.nl/x-1639313-z>

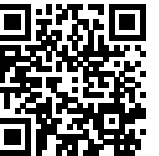

Leuke Saab 9-5 2.3t Estate aangeboden.

Gekocht als tijdelijke auto tussen 2 banen, maar mag nu weg ivm zakelijke auto.

Erg leuke en veelzijdige auto die veel positieve reacties ontvangt.  
De auto is uitgevoerd in Steel grey met een zwart lederen/stof interieur en beschikt over de 2.3t motor (185 pk).  
In combinatie met de handbak een zeer fijn apparaat.

- Highlights:
- luxe uitgevoerde Vector uitvoering
  - afneembare Saab trekhaak
  - Vialle LPG-G3 installatie
  - Kenwood radio/cd/navigatie/USB/Spotify
  - goed werkende carkit
  - Bilstein/Eibach onderstel

Bij de auto zit een dik pak aan boeken en facturen, inclusief afleverbon en LPG inbouw.  
APK geldig tot 1 mei 2024.

|                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                        |

- 
- ruitenwissers
  - nieuwe automatten
  - etc

Tot zover de pluspunten. Minpunt is dat de airco niet werkt (kapotte leiding, is al besteld). Verder heeft de auto gebruikssporen. De auto rijdt heerlijk, maar verwacht geen nieuwe.

Meer weten of proefrit maken? Bel gerust!  
Een bod uitbrengen kan, maar bieden op mp heb ik.
