---

Achtergrond verlichting teller valt wel is weg, komt ook snel weer terug als je over een drempel rijdt.

Vermoedelijk de 0 kabel op het chassis.

1 plek/kras (10cm) op de motorkap wat nu met een lakstift is bewerkt. Verder echt een nette auto met een nette lak!

Onderhandelen bij de auto!

Word af en toe mee gereden, staat binnen gestald en mag weg gezien ik een pickup wil.
