Kort Electric Bakfiets

In very good condition, rides well and has been converted to include electric assistance.

- Brought from shop in as-new condition 2.5 years ago
- Stored/ kept in an underground carpark protected from the elements
- Comes with rain cover
- Regular professional service and maintenance
- 7 gears
- Tires in good condition
- 2 x seat straps for children

Selling as we have upgraded.

The electronic assistant works well and has 3-speed settings. The battery can be removed and charged inside (cable included). E-system screen (CPU) was replaced only 65kms ago. You're not going to fly through the city on this power but you be able to get around comfortably.

Happy to answer any addition.
