Purchased new from Apple in the United States in January. Compatible with eSIM only (no physical SIM card). All major phone carriers in the Netherlands allow switching to eSIM for free, however my employer specifically will not allow it in their contract, hence why I am selling (I would have used my work number on this iPhone). New, sealed, unopened, no contract, no sim lock. Pick up in person in Amsterdam preferred, but can also drive to nearby cities to hand over, or ship it. For any questions feel free to message.
