Gaming monitor with excellent image quality and fast response rate. Great for gaming and working. The specifications are the following:
 2560x1440 QHD 144 Hz refresh rate 1 ms response time IPS panel 16:9 aspect ratio G-SYNC compatible
 FreeSync HDR10 support
 It has 1 DisplayPort and 2 HDMI 2.0 ports and can be easily switched between them. It also has a 3.5mm headphone jack. The stand comes with hinges to allow the monitor to be tilted up and down.

The full set of original accessories (User guide, DisplayPort cable, power supply) and box are still available. Most of the plastic covers have not even been peeled off.

Used for only 9 months. I am selling it because I am moving out of the Netherlands. The condition of the monitor is like new.

Contact me if you need any additional information. Price is.
