 BTW/marge: BTW niet verrekenbaar voor ondernemers (margeregeling)  
 Inbegrepen afleverpakket: Standaard: Wettelijke garantie, geldige APK, en RDW-leges.  
 Kenteken: MH-36-KY  
 Motor: 4-takt

Bijzonder originele en complete Ducati 350 F3. Afkomstig van 2e eigenaresse wie bijna 25 jaar op deze huidige klassieker heeft rondgereden. Nieuw geleverd door Biggelaar en destijds voorzien van 500 cc cilinders en stickers (originele zuigers en cilinders aanwezig). Dit betreft 1 van de 1.276 F3's ooit geproduceerd. Recentelijk door ons voorzien van groot onderhoud en dus kant en klaar voor de nieuwe eigenaar. Al met al een on-verprutste originele Nederlander in goede technische staat.

|                                                                                                                                                                                                                     |                                                                                                                                                                                                                      |                                                                                                                                                                                                                      |                                                                                                                                                                                                                      |                                                                                                                                                                                                                       |                                                                                                                                                                                                                        |                                                                                                                                                                                                                        |                                                                                                                                                                                                                        |                                                                                                                                                                                                                        |                                                                                                                                                                                                                        |
