

## Samsung Galaxy S10, 128 gb

Locatie **Utrecht, Woerden**  
<https://www.advertentieX.nl/x-1660486-z>

Goed werkende samsung S10 +  
 Geen dode pixels.  
 Op het oppervlakte glas zitten scheurtjes. Glas zit op het tft/lcd scherm. Scheurtjes in het glas hebben geen invloed op de werking tft/lcd scherm. Dat werkt perfect!!  
 Achterkant toestel is zonder schade.  
 Zijkanten toestel is zonder schade.

Verdere info zie foto.

|                                                                                                                                                                                                                                |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                   |
