

Jacht 29 meter 3.950.000,- kk

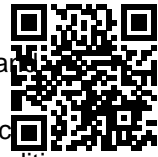

Locatie **Noord-Brabant, Helmond**  
<https://www.advertentieX.nl/x-1661056-z>

Art-Line  
2007 build  
2021 refit  
28.93m / 94'11"  
6.81m / 22'4"  
2.5m / 8'2"  
118 tons  
Alustar Sealium Aluminum  
Sealium Aluminum  
MCA ISM  
2 x Caterpillar C32 ACERT, 1825 hp each  
24.5 knots  
10/18 knots  
2500 nm  
8 guests in 4 staterooms, 4 crew in 2 cabins

Exceptional Strength and Craftsmanship: Crafted with military-grade aluminum, the hull boasts a robust 12mm (0.50") thickness, expertly welded together with ( Alustar and Sealium superstructure for unmatched durability, quiet running and structural integrity.  
Commercial-Class Origin: Originally built to commercial BV class standards, CIAO incorporates

watertight bulkheads, ensuring uncompromising safety and reliability.  
Unmatched Performance: Experience a truly silent motor yacht with Variable Pitch Propellers that reduce noise and vibration, while increasing fuel economy and cruising speeds at 20 knots. The engine's 1825 hp ensures a powerful and responsive performance.  
Unrivaled Stability: Make your onboard experience truly luxurious with dual-axis electric stabilizers featuring zero-speed at-anchor capabilities, delivering exceptional stability in all conditions.  
Global Connectivity: Stay connected anywhere with newly installed Starlink internet satellite communications, enabling seamless communication and entertainment throughout your voyage.  
Ultimate Water Play: Embark on aquatic adventures with an impressive selection of toys from versatile tenders to robust kayaks, ensuring endless fun and exploration.  
CIAO combines these exceptional features with the following attributes for an unmatched boating experience.

---

Smooth Transitions: The Controllable Pitch Propeller (CPP) system ensures seamless gear engagement, resulting in smoother transitions and a crash stop that covers just 2.5 ship lengths. CIAO also has a spare set of CPP propellers in the event that replacement may ever be required.

Optimized Performance: The CPP system matches prop pitch with RPM and torque curves, leading to longer engine life, improved acceleration, and higher top speeds.

Impressive Acceleration: The boat can accelerate from 0 to 20 knots in only 20 seconds and reach its top speed of 24.5 knots in just 40 seconds.

Enhanced Safety: CPP's controlled reduction and increase of pitch and RPM during reverse contribute to a remarkably smooth crash stop experience.

Efficient Design: Prop tunnels reduce draft, enabling larger propellers with reduced shaft angles. A keel ensures stability, while optimized blade clearance minimizes noise and vibration.

Discover M/Y CIAO – a vessel where strength, innovation, and luxury converge to redefine your boating journey.
