Peugeot 307 SW 2.0 16V Premium, 143 pk, benzine, manual gearbox.

- I am an expat and I am selling this car because I will relocate outside Europe soon.
- Great family car!
- APK until Feb. 2024
- Low mileage (I spent most of my time travelling for work since I bought this car, and I don't really use it in everyday life. The car has been mostly used for travel to big shops, nearby cities or for short road trips in Europe).
- I am the second owner of the car. The 1st owner was also an expat (like me)
- This car has always been parked inside a garage since I have it.
- In good condition both outside and inside (with some minor scratches and one dent on the right sill / rocker, hence the relatively low asking price).
- Has up to 7 seats (the additional two back seats are included in the price).
- Huge trunk volume when all back seats are collapsed. The trunk has even a bigger volume and a flat surface (very handy!) when all back seats are removed.

Equipment (interior)

- Auto Climate Control with Dual Temp Zone
- Cruise Control
- CD with 5 CD Stacker
